MEMORANDUM FOR: Associate Deputy Director for Administration
SUBJECT : OTR Review of the Rockefeller Commission Report

We have reviewed the Commission Report and found no major factual errors or misinterpretations concerning Agency training activities. We would like to point out, however, that our Intelligence in World Affairs Course is incorrectly titled on page 92 of the report as International and World Affairs. It is also interesting that, on page 84, in the next to last paragraph describing the "housekeeping chores" of the DDA, training was the only component which was omitted.
